# HSBBQ66

MODULE 70

## GENERAL FEATURES

### Outdoor space-saving barbecue

- This (patented) barbecue is revolutionary since it has two positions: open for use and closed for periods of inactivity. It hangs on the wall with a special bracket and tilts. This makes it the ideal solution for those who do not have a lot of outdoor space such as terraces or balconies. Made of stainless steel for outdoor installation. Ideal for garden or veranda grilling to enjoy life outdoors.
- Front controls
- 3 gas burners (12 kW each)
- Stainless steel back/lid
- Large cooking area 640 mm x 480 mm
- Natural gas or LPG

## HOB FEATURES

- 1 cooking grill
- 1 smooth/ridged reversible cast iron plate
- Piezoelectric ignition
